All the Sub brokers
PSE Securities Limited

Sub: Debit balance in ledger account

It has been observed that most of the Sub brokers of the company were not passing the receipt entries in their control accounts and due to which their shares got transferred to the Beneficiary account for which relevant charges were levied to the Sub brokers. To avoid the same, kindly pass necessary entries on timely basis and in case of any difficulty while making the entries, kindly acquire assistance of PSESL's staff for the same.

Kindly take note of the above circular. In case of any clarification/ explanation needed kindly contact Mrs. Archana Gorhe at 24432762/9373311700.

Thanking you.
