

Date: 11th January 2011.

**To,
All the Sub brokers of PSE Securities Limited**

Sub: Up gradation of Lease line Speed.

Dear Sir/Madam,

This is with the above referred subject; & the BSE circular reference no. **20101220-13 dated 20/12/2010** regarding DCAST/BCAST broadcast streams to be phased out of from 07Jan & 28Jan 2011, respectively.

All members are requested to compulsory increase their bandwidth speed minimum to 256kbps & 384kbps for smooth application functionality.

This is Mandatory requisite from BSE for Fast Broadcast.

Alternative connectivity solution for members available is as follows,

1. VPN connection of minimum 512kbps internet speed per terminal.
2. NOW & FOW platforms provided from Exchanges which is also Internet based applications.

All WAN members are requested to Kindly select the above any option & submit their application addressed to Pune Stock Exchange Ltd. for Lease Line Bandwidth Up gradation OR alternative option to avoid interruption in trading after aforesaid changes from BSE.

For further clarification or any queries, please contact to System Dept. on 24451249 / 32345139/24497457.

For PSE Securities Limited
